★ What is Jara Kits?

Jara Kits is a Nigerian online store of practical digital kits: scripts, templates, trackers, planners and guides you can download and start using the same day. Each kit solves one real problem, like turning "How much?" into a paid order, writing a CV that gets you to the interview, or knowing exactly where your salary goes.

In Nigerian markets, **jara** is the little extra a good seller adds for you. That's our promise: small money, big jara. Every kit is written for Nigeria, works on your phone, and costs just ₦1,000.

How to buy

- 1 Go to jarakits.com.ng and add the kits you want to your cart.
- 2 Pay with bank transfer, card, USSD or your bank app through Paystack's secure checkout.
- 3 Your download links and receipt land in your email within a minute.
